

app::Application::run

```
graph LR; A[app::Application::run] --> B[app::Application::poll_event]
```

The diagram illustrates a function call. A white rectangular box on the left contains the text 'app::Application::run'. A dark blue arrow points from the right side of this box to a gray rectangular box on the right. The gray box contains the text 'app::Application::poll\_event'.

app::Application::poll
